This role is ideal for individuals looking to develop hands-on skills, learn safe working practices, and build a career within the scaffolding industry.

Key Responsibilities

- Assist qualified scaffolders in the erection, modification, and dismantling of scaffolding structures.
- Learn and apply safe working practices at all times.
- Support the team in handling, moving, and organising scaffolding components and equipment.
- Help maintain a tidy and safe work area on site.
- Follow verbal instructions, drawings, and site requirements under supervision.
- Assist with loading, unloading, and transporting scaffolding materials.
- Carry out general ad-hoc duties to support site operations.

Skills & Attributes

Essential

- A strong work ethic and willingness to learn.
- Ability to work safely in a physically demanding, outdoor role.
- Good teamwork and communication skills.

Desirable (Not Essential)

- Previous construction or labouring experience.
- CSCS / CISRS cards (training route available).

Why Join Us?

- Be part of a respected, growing organisation with strong values.
- A supportive team committed to training and development.
- Long-term career progression into trainee or qualified scaffolding roles.
- Competitive salary and benefits package.

Excellent benefits include competitive salary; 24 days annual leave plus bank holidays; 4% employer pension contribution; BUPA Cash Plan; Life assurance cover.
